

WESTVIEW PARK IMPROVEMENT & CIVIC ASSOCIATION

MESSAGE FROM THE BOARD

FALL 2016

Dear Westview Park Neighbors:

The past year has been filled with many changes. The community has had a period of transition, with many decades-long residents leaving the community and millennials to middle-aged families arriving. The offices of President, Treasurer, Assistant Treasurer and, Secretary were all vacated. WPICA was fortunate to have community members move into the positions as interim officers and take command of the tasks that needed to be accomplished. These members of the Interim Board of Governors planned and executed the Spring Easter Egg Hunt, the July Bulk Clean-up Day, and the August National Night Out events.

WPICA Board elections are scheduled for the October 11, 2016 meeting. We encourage all Westview Park neighbors to attend this and all general meetings. The Board and community volunteers are vital to the association’s sustainability. We need the community to serve as board members, to pay annual membership dues, and to volunteer for WPICA events and activities.

In the fifty-fifth year of operation, WPICA needs to increase the number of dues paying members. The membership is at 7% of homes (132 of 1800 homes) in our neighborhood. There is a requirement to have 20% of homes as paid members to be eligible for certain grants. One of the association’s goals is to achieve 450 paid households (25% of households) by June 30, 2017.

To new residents of the Westview Park neighborhood, the WPICA Board welcomes you and hopes that you will be active in the **Westview Park Improvement and Civic Association**. The events, activities, strength, and success of the association will be accomplished only with the support of the community.

Best regards,

WPICA Interim - Board of Governors

WPICA Bulk Clean-Up Day

On July 16, WPICA hosted the annual Bulk Clean-Up Day at Johnnycake Elementary School. There were 5 dumpsters available for Westview Park residents to dispose of wood, concrete, and metals. Goodwill was on hand to receive donations. The **NEXCUT Shredding** truck was available to the community for 3 hours. The Bulk Clean-Up committee sends a **Thank You** to all community volunteers on hand for the hot July day. See you in *2017* for the next Bulk Clean-Up day.

National Night Out

On August 2, in the Westview Park on Chesworth Rd, from 6pm-8pm, WPICA hosted its first **National Night Out**. The event was held courtesy of a grant from the Baltimore County Police Department (BCPD). Officer Matthew Gorman of the BCPD spoke on police and community relations. Max Tucker, *MD Department of the Environment*, conducted an engaging presentation on stormwater runoff and environmental stewardship. WPICA provided food and games for everyone to enjoy. Gail Johnson organized a Hula-Hoop contest. Two future WPICA leaders, received prizes for their participation in the Hula-Hoop contest. The most exciting part of the event was the door prize drawing of donated gift certificates from Subway[®] and Dunkin Donuts[®].

We thank the vendor, Popcorn Queens, for coming with a variety of popcorn treats. **Thank You**, to all volunteers and participants, for making the event possible and successful.
